The Hermitage

The Hermitage is a new masterplanned community located in the heart of one of Sydney's fastest growing regions, the South West.

Its gentle undulating hills are framed by magnificent strands of large mature trees, with district views spanning to the Blue Mountains. Boasting 150 hectares of green open space, including dedicated parklands and 27 holes of golf, The Hermitage offers a wide range of community and lifestyle options. The area is one of great beauty with special qualities that will be taken advantage of through a central 3.5km green corridor, connecting the northern golf precinct with the heart of the community.

The future Gledswood Village, a boutique mixed use precinct offering a mix of retail, commercial and residential uses, including a grocer, cafes, swim school, healthcare, Country Club and restaurants, will be the authentic heart of the estate. This contemporary, vibrant and tree lined high street will deliver an authentic village experience responding to the growing appetites of the local community for urban experiences.

With access to a broad range of recreational facilities, local transport and educational services, The Hermitage offers an enviable lifestyle choice now and into the future.
